

PREMIUM VIP BOX SEATING

The best seats
in the house.

Premium VIP Box Seating

Front and center action with Premium VIP seating

We provide a one-piece platform with the included seats mounted.

The recommended width of the Premium VIP Box is 72" plus, which is enough space for 4 seats and 24" wide 4-step stairs.

Access to the Premium VIP Box is from the back via the spectators' area.

Easily installed. A forklift lifting beam is supplied for installation and removal of the entire platform with seats attached. 4 pick points on platform.

Custom logos in seats can be installed and changed easily if customer wants to give VIP box special treatment for numerous vendors as does MN Wild with the Audi VIP Box.

Seating Options

Standard Colors

RED - FR301

GREEN - FR603

BLUE - FR501

BLACK - FR001

Peak Series - YH-9312

Seat and back shall be one-piece, injection-molded plastic construction, high density, high impact-resistant linear polyethylene with smooth surface. Seats and backs receive inserts which are securely fastened to the upholstered seat and back base. Stay-fast insert nuts to achieve torque and pullout strength requirements. The seat back is adjustable at initial installation to optimize both leg room and seat comfort.

SuiteMax 3.5

SuiteMax 3.5 is the culmination of years of seating supply and installation experience. Designed with modern aesthetics in mind and with the best warranty in the market, this chair is both comfortable and visually appealing. Fully customizable and utilizing multiple seating patents this is the most advanced VIP seat available. Perfect in suites, club areas, team benches, or as front row seating.
